

TreeKeeper Sku # TK-10123

Tree Duffel Storage Bag

NO ASSEMBLY REQUIRED

Gift Wrap Dispenser: Insert a roll of paper into the slot and pull out softly, allow the roll of paper to unroll, then cut with scissors.

Ribbon Dispenser: Insert ribbon roll into the slot and position so the ribbon can be spooled out from the WrapKeeper slot. Pull the end of the ribbon out of the WrapKeeper slot and position for easy access.

Bow Storage: Insert and attach the divider tray to the velcro tabs located in the wrapping paper compartment to provide space for bow storage.

****With the divider tray, you may store up to 36" long rolls of paper PLUS bows. If 40" rolls of paper need to be stored, then open the divider tray allowing the rolls to extend the entire length of the WrapKeeper bag.***
