

WREATH KEEPER

from TREE KEEPER

WreathKeeper:
Use this bag to store wreathes,
accessories and more!

What's included:

The wreathkeeper comes nestled inside a round zippered bag with a handle. This Wreathkeeper carrying case attaches to the inside of the wreathkeeper for extra storage and rigidity.

To set up the WreathKeeper, unzip the small carrying case and remove the WreathKeeper. Completely unfold the WreathKeeper and open the top cover.

2

Once the WreathKeeper is opened, set the small carrying case into the middle of the WreathKeeper. It will attach to the bottom by Velcro. Use the inner compartment for storage. There are also straps on the top inside seam of the wreathkeeper to secure the wreath. You may also use the elastic straps on the back of the cover of the wreathkeeper to store your wreath door hangers.
